| Restrictions, if any: | |

Dear Ms. Maxime Clauss:

GlobalPlatform, Inc. (“GlobalPlatform”) would like to thank the above company (“Company”) for its interest in participating in the GlobalPlatform Qualified Laboratory Program (the “GP Lab Program”).

After reviewing the Company’s request dated 9 January 2015 for qualification of the above-referenced Facility as a GlobalPlatform Qualified Laboratory for purposes of the GP Lab Program (a "GP Qualified Lab"), including the additional
required materials submitted therewith, GlobalPlatform is pleased to inform you that
the Facility is hereby designated as a GP Qualified Lab.

Accordingly, subject to the terms of this letter and the restrictions set forth
above (if any), GlobalPlatform hereby agrees to include the above-referenced Facility
in the list of GP Qualified Labs on the GlobalPlatform web site at
www.globalplatform.org (the “GP Qualified Lab List”). If you would like to begin using
applicable GP Qualification marks in connection with your GP Qualified Facility,
please execute a separate Trademark License Agreement with GlobalPlatform.

**Please Note:** Qualification as a GP Qualified Lab reflects only that, as of the
date of this letter, the specified Facility has successfully demonstrated that it satisfies
all of the requirements and conditions for laboratory accreditation for purposes of
performing tests of certain types of products submitted for GP Card Qualification
under GlobalPlatform’s then current laboratory accreditation and reaccreditation
processes. GlobalPlatform Lab Qualification is not, and should not be construed as
either a guaranty of any laboratory or its services or that any such services will be
performed in any given manner, or an endorsement of any laboratory.

Qualification and listing as a GP Qualified Lab are subject to continued
compliance with all GP Lab Program requirements applicable to GP Qualified Labs.
Because qualification and listing are subject to such limitations, including termination
under certain circumstances, you and any third parties are strongly encouraged to
periodically confirm that such the Company's qualification is current and has not been
terminated, by referring to the current GP Qualified Lab List.

Information pertaining to the GP Lab Program and GlobalPlatform Card
Qualification is available on the GlobalPlatform website. All specification questions
and technical questions should be sent to the GlobalPlatform Compliance Feedback
Administrator at [gpcompliance@globalplatform.org]. All questions related to the
laboratory qualification process or the GlobalPlatform Card Qualification process
should be sent to the Secretariat at the following email address:
secretariat@globalplatform.org.

*This Qualification Letter is effective as of the date of this letter.*
